

Re Co.De!

reshaping contemporary dwelling

Thematic Design Studio - BA Architectural Design - AUIC School - Politecnico di Milano - A.A. 2016/17 - M: B 2.3 / T: B 6.2/3

ASS. 01.3

Delivery: 27th March

The aim now is to redact an atlas of householders, based on the categories we identified. On the case you are assigned, you'll have to:

-printed A5 (using Ass. 01.2 template)-

> *Re* - elaborate Ass 01.2 sheet, graphically joining nucleus relations

-.pdf presentation (using Ass 01.1 template, upload on folder Del 0.1.3) -

> *Apartment plan sketched by hand (proportioned approximately scale 1:100) indicating rooms functions and names of bed's holders.*

> *House "diary". How is the space lived? Which are the daily-based habits? What about weekends or special occasions?*

> *House components comments about their style of living. Do they have any kind of complain? Are there any special/well working spaces/aspects?*

> *Photo Survey. Take pictures if you can, or ask your friend to send you some. Maybe you can arrange kind of a Skype shooting? Experiment!*

Ass 01.3a

-.pdf presentation (upload on folder Del 0.1.3a)-

> 3 pictures of a regular shape (door) taken from three different distances, keeping a fixed central point.

> 3 pictures of a regular shape (door) taken from three different distances, zooming one point and keeping the door at lower left (or right) of the frame.
