

Structural Architectures-Geometry, Code and Design

4-17 SEP 2011 Milan

The following 4 Universities and 8 teachers will be involved:

_Technische Universitaet Kaiserslautern (proff. C. Leopold, A.Kretzer) - coordinator

_ETH Zurich (proff. T.Kotnik, B.Dillenburger)

_Politecnico di Milano (proff. L. Cocchiarella, G. Postiglione)

_Universidad CEU San Pablo Madrid (proff. M.Garcia Hipola, A. Bresnik)

8 students per each University, attending the 4th or the 5th year in Architecture or Engeneering, will be allowed to attend the program (in total 32 students)

The activities will consist of two weeks of architectural design workshop, from monday to saturday, including an excursion -connected with the topic- on sunday.

The attendance will allow you to get 4 ECTS (4 cfu).
